Jessica was one of My girls when she was in high school. Loved to hang out in the high school office with me. Her smile was infectious. It was so hard to make her go to class. I love her so much!

Thank you for allowing me to be a small part in the lives of these beautiful kids. I loved having them in Sunday School and VBS. Thankful they got to be surrounded by the Word and have fun at the same time. Jessica you are a precious young lady and I treasured every hug we shared at church. For Danny, Lesa, and Joey - your church family will always be here.

I never would have imagined such a tragedy would occur that brings so many tears, depression, & misery.
Jessica Thompson we have always had our ups and downs! You are one crazy woman, but I still love you through it all! You were always a great mother to those babies! I am so proud of the woman you became. You are strong willed & loving! I will truly miss you more than you know.
Jaydon was over my house it seemed every other weekend. Brody not only had a cousin but a best friend! Jaydon you were a son to me & a joy to be around! Brody & you have so many memories! You were such a funny, crazy kid! We all had late nights staying up watching movies, making cookies, eating popcorn, & hanging out. You were Brody's favorite & bestest friend :):) Brody said you were his brother. It truly hurts knowing we won't get to hold, hug, kiss, or see you again Jaydon!! I love you buddy!
Leah, oh my Leah! That girl was such a ray of sunshine! Always smiling and carrying on with the boys! She always wanted to be with Jaydon & come over my house when Jaydon did. So of course a couple times I let her :):) she would peak her head around & into my room late at night & ask Sam & I, "whatcha doingggg??" Omg she kept us laughing! I love you sweet girl and will never forget sneaking & buying you Frozen movie & doll that Jessica didn't want you to get cause she refused to hear you sing the frozen song a million times 😂 But Mrs. Justina thought you HAD to have it!! You're a girl, right? Every girl should have frozen:):):) I will miss you baby girl!! Fly high & watch over Joey & the family! RIP sweet angels, we will miss you all until we meet again! ❤️
