“ I worked with Ada at the Carlton Center for 6 years. It's impossible not to fall in love with her vivacious spirit, and warm heart. She was so dedicated to the special needs children, and their families. Every day with her was a joy. I miss her beautiful smile, her contagious laughter, and her impish spirit.

Ada.....a beautiful woman, a dedicated wife, a devoted mother, a trusting friend.

She was loved and adored by many, many people and children. Her love for the children at Carlton Center was unmatched by everyone. My admiration and eventual love for Ada grew rapidly as I worked alongside of her. My love for the children there grew as I learned from Ada how to love them. It was a SPECIAL love that took my breath away. When I had to leave Carlton Center I felt as if half of my heart was torn out. I totally missed Ada and the children and had never known such a love existed.

I know the angels made quite a grand announcement when Ada arrived in Heaven to join Mike.

May Ada's family feel the comfort and peace from God in knowing she is free of pain and is "playing" with the children.

My love to all related to and loved Ada.
