“ Aiko and I talked a lot about her coming to visit the beaches in Alabama. The family finally came and we went to the beach. I was walking in the sand and fell down, we both went to laughing and wondering how I would get up. From the balcony of the beach house Landon saw us and came out to us. This was only one of the good times I had with her, She was the kindness person and always went the extra mile. I will greatly miss my Sister-In- Law and my best Friend.
