Rest in peace my dear friend. You always had a smile on your face and made me laugh at everything. You were able to always find joy. There are so many memories of you and your friendship through the years. When I was young it was memories of you and Buddy together, Lord knows the trouble ya'll got into together. Then working with Dan and I will never forget the day you showed up at the hospital when Mason was born. You have always been there my dear friend. Hug Grandmama for me!
