“ Alan was a great man in every aspect. I had the pleasure of working with Alan in the grocery business. He was smart, witty, funny, honest and humble with a hard working honest man work ethic. Alan was a very reliable and accountable, and took pride in every job that he tackled and he was always someone to count on. I always looked up to Alan, always valued his input, and learned a lot from him in a short time. He will be sincerely missed. My condolences go out to his family and friends during this time. May he rest in peace.

“ I also worked with Alan for many years, and consider him a true friend. He was always there to help anyone out when they needed it. We often visited about what our grandchildren were learning and saying! He always loved talking about the grandchildren! The store sets won't be the same without Alan singing! My prayers are with his family.  
Rest in Peace my friend, we all love you and will miss you terribly.

“ We worked with Alan for many years and made a lot of happy memories. What stands out the most is when we would hear him break the silence with the song "Tiny Bubbles". He would usually only sing those first two words, although on occasion we would get a line or two more. It raised our spirits and put a smile on everyone's faces. We will miss our dear friend and all the good times we shared traveling from store to store, city to city and state to state. Thanks for the memories, Alan and the "Tiny Bubbles".
