“ Alene Wolfe was always at the ready to welcome new members into our First Baptist Church Lindale. She was the person who would meet those who went forward, at the end of the service, to help them fill out the card. I never knew her to miss attending church. She was such a lady and dynamic Christian woman. She was a shining example to me as a young woman in the church. God bless her family in their loss. I know where she is FOR SURE.

“ *When I worked at the drug store for them it was Alene that kept me working, When I was discouraged and thought I should quit, she would encourage me, telling me what a good job I was doing. I will never forget her for that, because I needed to work in order to get my class ring and graduation invitations etc. I still wear that ring proudly. She was a special lady!*
