

Alice Lee Wells Byrd

April 7, 1936 - May 1, 2023

Alice Lee Wells Byrd lived a wonderful and devoted life, loving and caring for all of those with whom she came in contact. She loved her family growing up, she loved her friends and neighbors, especially her school chums. She was a friend to all. Alice was born in Emporia, Kansas on April 7, 1936 to her parents Bill and Fleming Wells. She lived a busy and committed life until the age of 87, having died on May 1, 2023. Alice grew up in Fort Worth, Texas from about the age of two until she went off to Texas Tech to become a school teacher. After graduating Alice married Doug Byrd, her high school sweetheart, and they went off together to Houston where she taught elementary school while Doug finished his engineering degree at Rice. They subsequently moved to Richardson where daughter Sally was born, followed 3 years later by son Doug. Alice continued to teach as her children grew up, finally retiring at age 60 after 22 years in the school system as an elementary teacher. She loved all her students and her own children and her husband, providing a strong example of love and care to all with a strong emphasis on her love for Jesus. Alice continued to work for a while in the school environment when they moved to Hideaway in the year 2000 in the Early Childhood Development area of the Lindale Schools. Alice was also very active in the Hideaway Church, working with the youth and children in the church. She was also active in Bible study as she was president of the Ladies Bible Study for two years.

Alice also loved to travel, having traveled and camped around the US for

years After the children grew up she began traveling with Doug on some of his overseas business trips. Later the two of them traveled on many cruises in various areas of the world.

She was married to Doug for 65 and ½ years and she leaves him in charge of her love and interest in their two children, 8 grandchildren (Lauren, Sidney, Taylor, Betsy, Ann Clardy, Jordan, McKenzie and Reece) and 3 great grandchildren (Hamp, Rho and Harper), all of whom she loved dearly.

“ Mrs Byrd was my 5th grade teacher in 1981 at Brentfield Elementary. I will never forget her. She was the kindest, most influential teacher I ever had. I was a new student to Texas and she helped find my friends and integrate me into the new environment after years in a private Catholic school. I was just talking about her today and decided to lol her up. I am so sorry to hear she has passed, but please know how special she was to her generations of students.
