“ *Me. Ann was such a blessing to me and my daughter Keesha. She showed us so much love. She always sang to us. She would sing I love you a bushel and a peck and a hug around the neck. A barrel and a heap and a ride in my jeep. Then she would say when I find it. I remember walking down her driveway with her. And she really loved the jumbo shrimp. She was a great lady and I loved her dearly. She will truly be missed but never forgotten.....:*
