“ We lived across the street from Ann, C B & the boys for 11 years. They were the best neighbors & the best friends ever.

“ Ann introduced me to ceramics and we were neighbors. We had her last baby and my first at the same time. She was due around Thanksgiving and me around the 10th of December. . Nature had her way of doing things. Turned out my child was born the day before Thanksgiving and Chris came 15 days later.

Ann and her family were very good neighbors Sorry for your loss. Remember all of the good times.

“ *Ann was a dear lady. I served on the Bonner Whitaker McClendon House Restoration Society Board with her and C. B. and would see them from time to time at family gatherings. May she rest in peace.*

“ *We shared a similar interest, shopping. I thought I was the queen of that until I met Ann. She would come up to CB's work in her black suburban and I promise the back in was always very full of purchases and a lot of time furniture pieces. Love seeing all she bought. She definitely out did me. What a gal! She was always a no nonsense person and I personally thought that was great. She had a great smile and I know that smile is on her face now. She is forever happy now and what a blessing. Loved you Ann. Prayers for CB, Brad, Chris and family too. Jimmy D and Linda Honzell*
