“ *My mom was a wonderful lady and a mother. I learn to make homemade Spaghetti sauce from scratch and we never measured the spices. Just dash here and a pinch there. Broke her tail bone at Lake Fork back in early 90's when my boat hit a stump with my trolling motor. I yell out head's up she and my sister look up instead of planting feet and holding on. She loved to go fishing on my pier at Lindale Club Lake.*

“ *What memories didn't I have of my mom. She had so many. But I couldn't have asked for a better mom. She was my angel without wings. We canned a million tomatoes and I had a blast sharing that with her. I am lost without her. I love you momma!!!*
