“ Uncle Peak, Linda, and Shirley,

I spoke to Tammi today, and just learned of this sad, sad news. My prayers are with you all. Aunt Nita was very dear to me, and will always have a very special place in my heart.

I remember the summers I spent with her while Mother was at SMU, calling her Gran Gran, and her making me feel as much a part as her own grandchildren.

She was very special.##imported-begin##Bettina Caggiano##imported-end##
