“ *He was a great grandpa. He taught me things no one reached out to try and teach me. He stepped out and did things with me that no one did. Yes he was my grandpa but he taught me a lot more like a father figure. He was a great man. I will truly miss him.*

“ Our thoughts and prayers are with your family. We knew Wayne for a long time, starting with when he lived with my sister and husband - Mary Clingan Jones and Hugh Jones. Although we haven't seen him since he moved to Texas, we join you in your mourning for him. We find comfort in knowing that God opened his arms for him a few days ago and that he suffers no longer.

“ Condolences to the family. We knew Wayne for a lot of years.....since his teenage years with my sister, Mary Clingan Jones and Hugh Jones until he moved to Texas. So sorry he was so sick this last year. May God open his arms for him now.....no more pain or suffering....and may God bless your family as you all continue on without him.

*We are so sorry that we are not physically able to attend the service.*

*The slideshow was wonderful...a great tribute.*

“ Tony was a wonderful loving dad. He was always waiting in the drive each time we came to visit. He loved to have family around. Of course, Haley told him his tea was to sweet and he said he liked it with a lot if love (sugar). Tony is golfing in Heaven now and looking over all of us. We miss you dad.
