“ *Mr. Ashley always seemed like a permanent fixture at FUMC during my growing up years in Lindale. He was one of the kindest, gentlest, caring people I have ever known. I miss seeing him in his coveralls at the old home place. Praying for the family. Beverly Garrett Melvin*

“ *Ashley and the rest of his immediate family were a part of my family when I was growing up and we rented a house from his parents and were their neighbors. I will never forget how kind Ashley was to us. He paid for both my daddy's and my sister's operations when they had their appendix taken out in the 1950's. He was always a good friend. May he rest in peace. Annie Baldwin*
