“ Well, Bill, was going, to call, you this 4th. And talk about the days, of 5 cent fire crackers- we spilt the package, then used one or two to see how high, they would blow a tin can!! now, as I recall, three firecrackers, would totally destroy the tin can, now that was not good as cans not too plentiful!, so we rarely did that. up here in the land of Lincoln, the Corn is tasseling!! We used to say corn 'knee High', by the fourth of July'

*So Goodby, Friend, the many wonderful times/visits, we shared with you & Ruby, someday we'll, visit in heaven. tommy Harrison Pekin il.*
