“ *Barbara was very special and will be missed by all who had the pleasure of knowing her. We will miss her bringing us plants and flowers from her garden, that we exchanged in the spring. We have lots of fond memories of her and will be praying for the family.##imported-begin##Anita Counts##imported-end##*

“ *Barbara is my cousin, but she is the sister I never had. We have always been very close, but the relationship became closer after both of our mothers died within two months of each other in 1991. I miss her tremendously.##imported-begin##Betty Smith##imported-end##*
