“ *I have had the pleasure of getting to know Ms. Bessie over the last 6.5 years at the library. I loved hearing about being raised on the brickyard road. She never showed up at the Library without her hair in place and her face on. The stories of going to the OLD OLD high school was so interesting. I loved the fact no matter what she was going to Guy's and Doll's to get her hair fixed once a week. When we had videos donated at the Library everyone knew to look thru them just incase it was a old old movie or better yet a western so we could make sure we showed it to Ms. Bessie. Just one more thing to end this with: Good Lord she carried the biggest over stuff wallet I've ever seen. Love you Ms. Bessie*
