“ Mrs. Capps, know to me as Meme was a very special lady. Since I did not know her well how can I say this? Because she inspired so much love in her Granddaughter (my daughter-in-love & my son) that she had to be special. I know she had a driving spirit & much love for her family & was so happy to meet her great gran in June, Levi Joy. So very happy to have known her even for such a short time. I know the good Lord will wrap his arms around this family during their time of loss & healing.

God Bless & keep you,  
Linda Walker
