“ *Aunt Betty was my greatest confidant other than my mother - her sister - and her love for her family and friends meant more to her than life itself. She always looked forward to seeing the family at especially Christmas and we will always cherish those memories. You will always be in our memories for all the unconditional love and support you gave to all of us.##imported-begin##Anne Beliveaux##imported-end##*

“ Dear Judy and Family,
We are so saddened by the news of the loss of your mother. Please know that you are in our thoughts and prayers. It has been so long since we were hanging out with Gail and the friends back in Tyler, but the memories of those times will never fade. And oh, how our dear parents had to put up with us back then. God bless, and may time help the sorrow. With fond memories, Patti
