Betty was a beautiful lady inside and out. I feel so blessed that I got to know her and spend time with her. She was one talented lady. I loved seeing all her art work. I will cherish the snowmen she painted for me. I will miss her smile and laugh and hearing her say Billie Jean!

“ Oh my sweet Aunt Betty, you have a special place in my heart and especially the last 3 years of your life. You filled the void after loosing my momma and your sister, Jean. Many days I have spent with you in these last 3 years, many were hospital or rehab related, but always a concern for me you had. I do remember one day with you and Billie we had lunch and dinner out while shopping in between and I had coupons to use at every place we went. You laughing at all my coupons, made my day. I just came up for the day on 12/28 to visit and you were enjoying our time and cooked up a good meal. I just didn't get one last biscuits and gravy breakfast 😞. I love you and I love your kids as much and we will carry on. ❤️😞🙏
As you always called me, Tebbi Lou
