“ Sure wish I could have one more dance with you girl. I really enjoyed dancing with you, you had a natural ability to follow me on the dance floor it was like you always knew what my next move was before I even did it.. we won a lot of dance contest together in our day. Thank you for all the good times we had together.. yes we had some not so good times as well but , still remained friends and I am in shock that you are gone. Rest in peace my sweet Beverly I love you and never will forget you...🥹
