

Beverly Chisholm Jarrett

February 28, 1951 - March 30, 2026

A Celebration of Life for Beverly (Chisholm) Jarrett, age 75, of Hideaway, Texas, is scheduled for 2:00 p.m. Sunday, April 26, 2026 at Lake Church in Arlington, Texas.

Beverly passed away on Monday, March 30, 2026, at her home in Hideaway. She was born on February 28, 1951, in Amherst, Texas, and grew up with the values of family, faith, and perseverance that would shape her entire life. Beverly had made her home in Hideaway for the past 15 years, embracing the community with the same warmth and generosity she brought everywhere she lived. Before settling there, she spent many years in Arlington, Texas; Peoria, Illinois; and Littlefield, Texas, forming lasting friendships and touching countless lives along the way.

A devoted Christian, Beverly was a member of First Baptist Church in Lindale, Texas, and previously a longtime member of Lake Arlington Baptist Church. Her faith was a steady anchor throughout her life, guiding her in her work, her relationships, and her service to others.

Beverly retired after many years of teaching in public schools, where she poured her heart into her students. In her spare time, she enjoyed both planned and spontaneous traveling, playing pickleball with friends, reading, and, above all, spending cherished time with her beloved family and grandchildren. Those who knew her will remember her sense of adventure, loving heart, her quick smile, and the joy she found from life.

She was preceded in death by her father, Derwood Chisholm; her stepfather,

Coy Piercey; and her husband, Louis Jarrett, with whom she shared many years of love and partnership.

Beverly is survived by her mother, Wannell Piercey of Hideaway; her children, Bradley Jarrett and wife, Stephanie, of Arlington, and Whitney Beseda and husband, Mark, also of Arlington; her sisters, Carol Davis and husband, Don, of Hideaway, and Patti Turner and husband, Bill, of Taylors, South Carolina; her grandchildren, Adelynn, Brynna, and Corinne Jarrett, and Skye and Kodi Beseda. She is also survived by numerous other loving family members and friends who will forever hold her memory close.

“ All the Bonneville girls have been friends since the mid to late 70's. A little over a year ago, we all went out to Beverly's house to spend the night. We had so much fun and laughing at dinner. The next morning, we all got on Bev's bed and shared stories and laughed. Somehow in the conversation, our hair thinning came up. Carol pulled a couple of wigs out of the closet and we all laughed together while trying them on ourselves. She is a very dear friend lost way too soon. Love you Bev, Diane 🙏❤️🙏❤️

“ From the moment Bev & I met, we were fast friends. She & Louie moved to the Bonneville neighborhood & lived across the street for 18 years. We shared babies, kids & all of the great times in our special neighborhood. Then many trips together & so many special times with her wonderful family when she moved to Hideaway. She & shared sorrow of our husbands' deaths & shared so many happy memories. I miss my best friend so much, but grieved what she had to cope with in the last couple of years. I love you all in her family & send my loving sympathy to you all. Life will never be the same without her. I know her faith in God was strong & know she is in a better place with Louie, Paul & Ron. Wishing peace to you all. You are my family, too.

“ Sweet Beverly was in my Delta Zeta pledge class at West Texas State University. She was full of life and her smile was contagious. My heart is broken but I am also rejoicing knowing she is with Jesus and the love of her life, Lou. I will be keeping all her precious family in my prayers and heart. God bless you all.

“ Sweet Beverly was in my Delta Zeta pledge class at West Texas State. Her smile would light up the room when she came in and everyone loved her so much. “ First, I want to offer my condolences to Brad and Whit, and their kids, as well as Wanell, Carol ,Patti, and the rest of Beverly's wonderful family and all the friends and people she touched with a life well led.

I only knew her for a short time, but she became a friend forever and I know I will see her again someday.

She was (and is) a special person who would light up a room with her presence. Not many people are priveledged to know someone like like, many less to have such a friend.

“ Sweet Beverly welcomed me as a beginner on the pickleball courts of Hideaway 2 years ago. She was always so encouraging to the newcomers and I loved her grit and competitiveness and I admired how she carried herself as she was always dressed so cute and classy, even in her pickleball outfits! We soon discovered we had a connection through Littlefield, Texas, of all places! Then, we were in a Bunco group together where we shared many laughs, good food and fellowship. I admired her bond with her mother, sisters and her children/grandchildren . She was a blessing to all who knew her: I will cherish the sweet, quiet moments during her last days...Beverly, you are missed already but praise God you are whole and without any pain or suffering. I will pray for your sweet family during this time. God is good and He heals the broken-hearted. ❤️🙏

“ Mercy, how can we possibly list all the wonderful times we spent with our beloved Beverly?! My twin sister Kelly & I fell in love with Bev in Littlefield High School, along with her sisters. Our brother, Sam, also loved her, so she became a welcome guest on numerous family travels, snow skiing in NM, water skiing at Lake Brownwood, & at PITIFUL Bull Lake in Littlefield. :) To know Bev was to love her. She was so good to us as underclassmen... we considered her like a cherished sister, idolized her, & were honored to be bridesmaids in her wedding to Louis in Littlefield! It was truly a little bit of Heaven!

Bev & I also went to Switzerland with a group for a Campaign for Christ, & I could've never asked for a better travel partner!! Y'all know what a delightful, sweet laugh she had!! We will miss that the most!! :(We had so much fun being silly with her, Carol, Patti & Wannell in Hideaway a few years ago... it was like we were in high school again! :) What a priceless memory!!

Bev had such a heart for the Lord, which endeared her to EVERYONE! Her passing has left a huge hole in our hearts, and even as we grieve for our precious Beverly, we know she is safe in the arms of Jesus! Our deepest sympathy & love to all the family who cared so lovingly for her... we know how deeply missed she will be! Rest in peace, sweet Beverly!! All our love,
Margaret Fain Bishop, & Kelly Fain Jackson

Thoughts & Prayers for the family. 🙏 Beverly and I were young friends before I moved away in 1966. I remember spending time at her grandparents home (The Parkmans) and going to Parkview Baptist Church. Beverly was a beautiful, sweet, & kind friend. Such sweet memories. 🌸

“ From the first day I met Beverly you just knew that she was a special lady that was so kind and always willing to make the world and everyone around her better. She always put others first and she lived for her grandkids and enjoyed them to the fullest. She also loved to spend time with her friends and even her pest control operator. She was an inspiration to me and I can only hope that I can be half the person that she was and live my life caring for others the way she did for her family and friends. Bev,. I miss you already. I know your with god and now you can spend eternity in the land of milk and honey.

Love you Beverly,

“ I have sweet memories of Beverly, her sisters & another friend coming to my house in Germany We had fun at a fest in my village before we flew to Italy where we stayed in an Italian Villa and did a scenic tour to Florence, Pisa & Cinque Terra. We even befriended 2 young women from Sweden. I enticed Beverly & the girls to eat gelato often! Beverly was such a sweetheart and a pleasure to know.

“ I’m so grateful Carol invited me to go to the movies with her and Bev recently. It was a delight to see Bev out and enjoying music (Song Sung Blue)!

My deepest sympathy at Bev’s early journey home. Jesus cried when seeing the sorrow of Mary and Martha losing Lazarus. That’s tells me He’s right there holding all of your family close now in your sorrow. The only comfort for this time.

My love to you all - you are near and dear to me always, but especially in my prayers now.

I was so sorry to hear of Beverly’s passing today. I did not even know she was sick. We loved Beverly, always so full of life. She was like another sister. Beverly loved my mom and my step dad. She took extra good care of them and mom loved her. Whitney, Brad and all the family I am so sorry for your loss. Taken way too early. Loved your mom.
