*I have a lot of fond memories of Billy Jack but one really stands out. I acquired 100 lbs of chili meat for a law enforcement chili cook off. We cooked all that meat under the trees in my back yard. That made a whole bucking funch of chili and it was pretty good.*

“ We met Bill and Carolyn back in the mid-nineties. They introduced us to one of their happy places, Terlingua Texas. We will be forever grateful as it is now ours. Spent many weekends with them and also a cruise. So many good times, so many memories! Love you Carolyn!
