“ Hey this makes me mad. I wrote a long ditty for ya, Mom, last time I got in here and now I don't see it. Go figure... Well, I don't remember exactly what I said last time, but it probably had something to do with missing you so much, because that hasn't changed. I miss you more than you could possibly know. I'm lost without my best friend. Ok, not LOST lost, you know I'm makin it ok, but honey, it was sure a lot more fun when you were around! No question about it. I'm at your house a lot -- every other weekend still, just about. It's time for me to decide if I want to spend my money and buy out Robin and Ken's share of the house or not. I can't get it out of my head that I want to keep your Hideaway house. I love it here, it's peaceful. Wish you were here with me, but in a way, I guess you are. :) Oh joy! Oh rapture! I sure do miss you, ladybug. My mom my best friend. You're still pretty awesome.
