“ I am saddened to see this obituary. My Pepa has more children then were named.. And the fact I am a grandchild and was not documented= sickening. (My mother being the eldest) I was never notified he passed. I barely know any of my family in Texas, I was finally getting close with my Pepa when my mother found out she had a half sister through him. I miss him dearly. And I am grateful he brought my Uncle Lacy Folmar and my mother Becky Zutz and Aunt Angie Ramos and my "aunt" Kailey Kennedy (who happens to be younger then me) into this world. Along with having a ton more grandchildren that were not mentioned. how someone can just avoid all of these people is beyond me. If any family would ever like to meet me/talk my number is414-745-8059.
