“ I didn't know Bradley. I drove up to where the accident happened before the police arrived. At that time, we prayed for his spirit, not knowing his name or who he was. Our family has been praying for your family ever since. You have been on our hearts. Our hearts go out to you. We pray that you would find comfort in the arms of the Lord during such a difficult time.##imported-begin##callynth finney##imported-end##
