“ *Brandi was one of the sweetest, kindest, most gentle souls I have ever had the honor of meeting. We had lunch together every day freshman year of high school. Brandi was painfully shy, and I don't recall her ever speaking an ill word about anyone. We didn't share classes or lunches after that year, and as many friends do, we drifted apart on different paths. In the short time we had, I am absolutely grateful for having her be apart of my life. I never forgot her kindness and letting me sit with her. I will be praying for peace and comfort for her family.*

“ Brandy was an awesome person and I love her so much. She possessed so many good qualities, or actually fruits of the Spirit. She was so full of love for her family, friends and coworkers. She was kind to strangers and people in need. She believed that God loves all of us and everyone deserves to be treated with dignity as a child of God. She prayed for others and many times asked me to pray for them as well. She was patient with the elderly (on road trips to Mississippi with me and her Mom. And helping us fix our stupid phones.) She loved to give gifts and bring people joy. I loved her laugh. It was big and loud and beautiful! It was pure joy! I will miss Brandi so much. Till I see you again, I love you Brandi. You have blessed my life ❤️
