“ *My heart and prayers go to you and your family!!*

God saw he was getting tired and a cure was not to be. So he put his arms around him and whispered, "Come with me." With tearful eyes we watched him suffer and saw him fade away. Although we loved him dearly, we could not make him stay. A golden heart stopped beating, hard working hands to rest. God broke our hearts to prove to us that He only takes the best!!###imported-begin###Kimberly Jones###imported-end###

“ Know your family remains in our prayers and in our hearts.

*For those who suffer,
and those who cry this night,
give them repose, Lord;
a pause in their burdens.
Let there be minutes
...where they experience peace,
not of man
but of angels.
Love them, Lord,
when others cannot.
Hold them, Lord,
when we fail with human arms.
Hear their prayers
and give them the ability to hear You back
in whatever language they best understand.*
