“ *My name is Judy Fisher and it took me 5 minutes to locate this information on the internet. I am a cousin of Carol Sue, my father and her mother were siblings . I am sure God led me to find this message, which I will put on Facebook for others to see. We have not known where she was for many years. I want to thank whoever made this information available to us. We know how she loved her Christian sisters and brothers. She was a good person. We will meet again in heaven.*
