“ To the Family of Casey, I had the opportunity to work with Casey many times since 2011 as he worked here in Ohio. He was one of the most dedicated persons I have met in a long time and extremely good at what he was doing. We are all going to miss his experties and dedication. He was a true gentleman and very well liked in Ohio. My heart felt condolences to your entire family.

“ I first met Casey at a church camp during the summer before our 7th grade year. I went with another mutual friend, Donna Brinkley. Well Donna had been to this same church camp the summer before, so on the ride there she kept talking about this brown haired, brown eyed boy.... "this boy is so cute, and funny, and I just hope he is there this summer!" Fortunately for Donna, Casey was there! And I was lucky to meet him! Casey was every bit of what Donna said and more. To our surprise, when we started school that fall....in walks Casey....and the beginning of a true and fun friendship! Every girl had a crush on him that year. As I recall, The Bunt's lived on Amherst. Which Beth Miller, Sue Jacobs, and Amy Gorham also lived. Casey, and another boy "Kirby," were always hanging out and wanting us girls to go walk around the neighborhood... and you know we did! He even had THE FIRST girl-boy party....you never forget that! I could go on & on....but the last time I saw Casey was at our 25th Rider reunion.....and he was the same warm hearted, soft spoken, gentleman with a smile that was extremely contagious. Its hard to express to someone about their loss. My Brother, Kyle Parker, passed away almost 2 years ago.(He knew Casey as well through FFA) Just know that Casey was loved by all who knew him. I pray for comfort, and time for you all to heal over his passing. May you find your daily strength through The Lord in Heaven and stay close to thee.

With Much Love and Prayer,
