“ *Our thoughts & prayers go out to Char's family. She was a neat lady. We knew her & Huck when we lived in Albuquerque, NM. We enjoyed visiting with them then & after we all moved to Texas. Dean & Judy Newton, Huntsville, TX*

“ *Diana and Suzie, I am sorry that you have lost Char sooner than you wished and sooner than you thought. My heart goes out to you both. And Sarah as well. She was the most loving person I had the pleasure of getting to know. Her smile and attitude towards life was amazing. I love how she would take things in stride and say oh OK that's good to know. And laugh. She treated me so well and always tried to help me instead of letting me help her. She was a joy and I will definitely miss her.*
