“ I am so sorry I couldn't come today to honor Charlie, my dear cousin. I have many memories of Charlie, but my most treasured one is his kindness and patience with a 10 or 11 year old brat as he spent his relaxing time playing countless Monopoly games on the front porch of our house when he lived with us one summer while working with Dad. I thought he was the tallest, biggest, and most good looking guy that had ever "spent time with me." Plus I think he let me win most of the time. He also would sit and watch Perry Mason each week and we'd compete to see who guessed who done it. It was the most fun summer. My cousins are all special to me and are are good as people can be ... whenever the Crews, Crafts, Mays or Nulls came into the city - it was major gathering time always filled with a lot of LOUD laughter, good food, and gobs of fun. Charlie, rest in peace in the arms of Jesus - and let him win at dominoes occasionally. Love you. Prayers for Jean, Tammy, Clayton, Jacob, the grandkids and all the Crews - Charlie will be greatly missed by all of us. Karen Barton Wilson - Dallas

“ I remember exploring the woods on Grandma Crew's place when we were little together with Charlie and Jerry and Jo Nell. We used to play in the little creek that ran through the woods. Uncle Doc used to find our swimming clothes hanging on the bushes nearby the "swimming hole". I remember Charlie getting the spanking for setting the neighbor's field on fire when we all had a part of the blame. I remember Charlie going to Texas A and M and how proud he was for the chance to go on to college. He was surely handsome in his uniform. I remember Charlie as a young father. He was so proud and happy with you, Tammy. And later with Clayton and Jacob. He loved you all so much and wanted a happy life for you all. I remember Charlie so happy when Jean and he got married, a life together with many happy memories. I remember a kind and good man who loved to play 42 with his friends and he was good at it. I remember a decent, loving brother. I love you dear brother. Ann

“ Charlie was 1 of the best men I ever had the privileged to have know. He had such a sweet spirit , kind words , loving nature and the ability to put any situation at peace. Very few individuals get the opportunity to have a gift like his and I do cherish that I got to be a part of it. I am so proud to have had him in my life. We were the lucky ones that got to listen to his sweet words and to be loved by him. He loved his family, his kids and he loved Jean so much. Our thought and prayers are with all of you. May God bless your family and keep you close .

“ James Williams was a friend of Charlie's for thirty years. Charlie was a friend that could be counted on through bad and good times. You could call on Charlie anytime of the day or night and he was there for you. He will be missed for his helping hands and his warm sweet smile.

I only knew Charlie for a few years, but I know that he was a gentle, sweet, kind man. I wish that I had known him longer. His wife has been my best friend for many years, and it was wonderful to see the two of them together. My thoughts and prayers go out to all of Charlie's family, and to my friend' Jean's family. R.I.P Charlie, you deserve it.

Love to all, Joyce Tuverson and family

“ Our family has known Charlie for many,many years. He was quite and soft spoken and always smiling. He at the time I remember him loved to fish and my dad and him fished many times(Joe B, McDade) together on the Sabine river or the county farm in Lindale. I am sorry to say that I did not see him much in our adult life as we moved a lot with my husbands job. My GOD be with all of his family and friends thru this time of sorrow.
Love The McDade and Allen families.
