“ *My parents shared a life long small town friendship with Clista and Bobby. Clista was always sweet and loving of the children in her church. I remember her as a small child being involved in Sunday school as one of my teachers. She always was gracious and met you with a smile. I know her matriarch legacy lives on in her family's hearts forever. Praise Jesus she is whole again. Special prayer call out to Ronny, Mark, Bobby, Ann and Kyle. Donna P Morman*

“ My family and Wells family had a long small town history friendship. I remember Clista as a nursery worker and a young child teacher in my young years. She will live on the hearts of many in this town. She was the matriarch of a large family and will be missed.

“ *What a loss of a good friend for many years. We had so many good times and a number of trips with Clista and Bobby. We traveled with them to many places over the years until the loss of Bobby. We regret we have not been able to get down to see Clista, but were unable to in recent times. We will never forget them and all these good times. My God bless the family and children. Good luck to them in the future.*
