“ *Sweet Gwen...I read about the homegoing of your dad and your
mom's loss of a beautiful man. I remember vividly when I was
in charge of the vows renewal of your parent's 50th or more
anniversary in the GABC FLC. They looked like the top of a
wedding cake...still so beautiful and so in love. That is such a
blessing for you and your sister to have. I am thinking of you and
your whole family at this time and send you my love. Sincerely,

“ Cone and Marlene were such a blessing to me all the years they were in my Sunday School class. Always faithful, always encouraging and just such a blessing to me. I missed them so much when they were not able to get there, but please know they were in my thoughts and prayers every day. Jesus could truly be seen in Cone and Marlene, and my thoughts and prayers will continue to be with Marlene and all of you.

In Christ,
