“ *Cynthia & I both loved music from the 1960's. When she was working as a float x-ray tech & would be sent to work with me in Canton, during our conversations something would be said that would cause us to break out in a 60's song. We talked about serious things too & I know her heart was right with our Savior. I will miss you, sweet friend. I know you are dancing with the angels now. See if God's angels know any songs from the 60's.*

“ *Dear Family, I know you boys had a wonderful mother & wife, and you will miss her dearly, as we all will.
To David & Kenneth, we want you to know that you can always contact us at any time if you need any help or want to talk. We think of you often & will always remember when we all went to San Antonio with y'all and Danny.
To Larry, we'll always remember visiting with y'all last summer. We know that you helped to make Cindy's last years happy and full. We love you all and will always be here for all of you.
Love, Daniel and Sue*
