“ Linda and Larry, I love looking at the picture you posted of your dad- it shows what a happy guy he was-- he had such a great smile and attitude about life, and we loved when all our family was together . It was amazing how he kept up with the family through the years-- breezing in and staying a short time-- then off to his next destination. His short stays were always a highlight and will always remain great memories. We are all so very lucky to have the family memories. We always had a lot of laughs over the "bloods" and "non-bloods". Uncle Dale, we will miss you, but you will always remain in our hearts.

“ What can I say he's my Uncle Dale. My favorite Uncle, and thats saying quite a lot considering we had and have the greatest uncles there could be. When we were younger, every summer we would meed Uncle Dale & Aunt Margie, Larry and Linda at Grand Lake for a long weekend with both of our families. I looked forward to those every year as we all had so much fun. I remember when we were expecting them when they would come to visit and Uncle Dale's car wasn't in the driveway and i would walk in and smell the aroma of his cigar, I knew they were there. He would come visit my mom after Dad passed away because they were all best of friends. He would come just out of the blue, he like to be driving somewhere and could that man drive. He was one of the crazy uncles along with all the other uncles of our family, Every time I think of him it will bring a smile on my face as I know it will to all the Fay decendants. I will loved him dearly and I will miss him as he and Aunt Margie brought so many good memories to me. I do know that he is finally happy to be with Margie again, something he has wanted for so many years. I love you Uncle Dale your nephew Curt White
