“ Daniel was a true friend, We had good conversations about being a good person to all. His family Betty, and the children were special friends,  
I will always remember the good times we had,.  
I will never forget on the river fishing with Daniel,  
He said pull the line and it would not come up.  
We pulled together and we caught a 60 lb catfish.  
He looked at me and smiled, not a bad fishing day

“ Danny and Family, I am so sorry for your loss. Daniel was a large part of my life the past 5 years and I thank you for sharing him with me. When I moved to East Texas, from north west Texas I was in culture shock of all the water and trees. He told me so many stories, and about the best fishing holes, I remember the first fish I caught (in my life) the first person I thought of was him. When I showed him the picture, he was so proud, he said now that was a keeper, even though I knew it probably wasn't, Every night we would check his Farmers almanac and go out and look at the moon. Never in my life will I ever, look at the moon and not think of him. His heart was far greater than the gruff around the edges. When he sang How Great Thou Art. with his broken difficult voice, You could understand every word, and feel the Love in his heart.
