“ *Dear Family*
I have only lived in Texas for about 4 years but Danny was one of the first guys that I met and worked with at Capacity. We became close friends and went to the hunting cabin with him several times. Even after we each went different directions in our work we called and talked if not every week every other. He loved his family and I consider him one of my best friends even though we only new each other for a short period of time. God got a good one yesterday. He must have needed a story teller as Danny was so good at that. I'm going to miss him dearly. He was a great guy and a true friend. I will never forget him. I am sorry for your loss and it will be tough without him but always know he was so proud of his family and loved you all dearly.
