“ *I feel like Danny is one of mine, as a born early baby, I helped feed and diaper him and teaching him walk on up thru his adult life giving his words of wisdom throughout. I love him no if's, and's, or but's! I will truly miss him and I am glad to be a part of his family. Love Aunt Sylvia
I am adding this for his Uncle Robert, I love you and I will miss you!*

“ *My cousin, Danny Glen, the oldest born of our generation. My last visit with him was in Octobter 2012, while I was in Tx., I got to introduce my oldest daughter and grandson to him. When Danny Glen had stepped out of that trailer it took him all of three seconds to say Tammy and put his arms out for a hug. It's been several years since I've visited so I was glad he still recognized me. He said he'd never forget his cousin. Danny Glen loved with his whole heart! What a big heart he had. He will be truly missed by all who knew and loved him.*

“ I want to express my condolences to the family, Aunt Linda, Kellie, Jr., and his fiancée Dinky. You not only lost a son and a brother but I also lost a super cousin. I am so blessed I got to see him a few months ago, shared a hug, memories, and yes I commented on his beard. He got to meet my baby Amanda, we had some great laughs in that short time. I will miss you a lot Danny.
