“ *The last time I saw Darrell was at Shannon or Shea's wedding. We danced a couple times together.*

*When I was 15 we came to visit and Darrell took me hunting for the first time. I think it is called spot light hunting. All he shot that night was an opossum. He left it wiggling in the road and we got in a big fight about shooting something he wasn't going to eat. How cruel it was. Today I would see this so much differently.*

*Rest in peace. May God be with your family.*
