“ I use to stay the weekend at aunt Linda's to get away from the city. One time me and Daryl were hanging out and he asked me to ride with him. It was late at night and there were no street lights. The only light were head lights. To prove to me that he had driven this road so many times he knew where every pot hole was, he turned off his head lights dodging every pot hole in pure darkness. He was laughing and I was so scared. Screaming for him to please turn the lights on. Lol. I'll miss you homie. You was a cool cat. RIP bro.
