“ *He was a brother, by way of marriage to his brother Ted. I just cannot express my feelings for this man. He was a wonderful person and had a beautiful personality, responding to all he met with understanding and patience. He was noble, smart and loving. My heart was broken when he passed. I wish all love and prosperity to his wife as she loved him from the deepest part of her heart. I miss you David. Shirley Hendricks*

“ David lived on the street behind me. I lived on Grinnell in South Oak Cliff. Jacqueline live 3 houses down from me on Grinnell. She was undoubtably the most beautify young girl in the world. David’s dad was the builder of a “I believe a 1947 Chevy which was the fasted 1947 chevy in the world” I ran again David one time in my car which was a lot faster but he won because he had nerves of steel”

Both Jacqueline and David were younger than me and I had moved on when they were still in school. When I heard Jacqueline and David had got married, I thought they would make the most beautiful young couple in the world.

Joyce and I, my young bride of some 60 plus years offer Jacqueline and the kids our expression of love for this family as they go through this difficult time. May God bless them and take care of them during this really tough period.

“ *David Collins has been a part of my life since we were in the eighth grade. To say that he was one of the most authentic, reliable and loyal friends is an understatement. He tutored me through Algebra, helped me buy my car that I am driving now and has always been like a brother to me. Someone I knew always loved me and the feeling was mutual. I will miss him greatly, May light perpetual shine upon him. Ann Chancelor Mills*
