“ 19 years ago I was a lost soul looking and searching for God's Truth. Life was empty, lonely, and was lost. One day I said I would go to the top of the hill and meet my Neighbors.  
A Man was sitting in a chair on the upper deck of his house. We introduced ourselves and that is where our journey began. At that time I didn't realize what Father had in store for me. This what I refer to my footprints in the sand moment of life. For 30 years I thought I was by myself for there was only one set of prints. Not knowing then but that was the time Father was carrying me. He then sat me down in front of David's path and life has been joyous ever since.  
David showed me the truth in Father's Word through Pastor Arnold Murray immediately. From then on David loved me like his own son and cared more for me than anyone else ever had. He gave me life, love, happiness, a family, and countless memories. True Love is priceless and I found that in this Great Man who will always be in my heart.
