“ David was in several of my high school classes, with another David Jones. It always confused the substitute teachers to call roll and say "David Jones?" 3 times. He was a great guy, God rest his soul.

“ David you are so going to be missed! I cherrish the many years that you and I worked for Larry and the Exum Family, we go way back! I cannot believe you are gone. To Glen and Brea I watched you two grow up and your dad loved you two with all his heart I know you both are lost with out him. But know he always talked about both of you and how much he loved y'all. Your Dad was a true friend and a wonderful, thoughtful person and I know we will see him again.
