“ *Memories of my Uncle Dave will live with me forever. To my family, he represented a stable and structured life, God loving along with Godly living and deep a love for his family, community and his country. My visits with him were like &quot;being at home&quot;. Uncle Dave was always there for us and was always thrilled to see us. He had a deep loving relationship with my parents and with me and Ronnie. For his influence on my life, I am deeply grateful. As a 2nd father to me, his presence on earth will be terribly missed. I am thankful he no longer suffers and his sad loneliness is over. I rejoice that he is once again united with his beloved Lillie Mae. I look forward to being with them again in heaven. God bless his memory and all those who love him.##imported-begin##Patsy Johnson##imported-end##*
