“ *David was a fantastic man that cared for everyone around him. He was someone you could trust and count on no matter the situation. He always put the concern of others over his and that important quality was evident to anyone that ever met him. David will be sorely missed and his family will be in our prayers. God bless.*

“ *David was an amazing man! Plaskolite has many plants all over the world but I can say that I never worried about the people at the plant. He always put their needs ahead of his and did his best to help all the employees with problems that sometimes did not have anything to do with the job.*

I was very fortunate to have worked with David during our careers at Plaskolite.

“ *My condolences to all David's children and grandchildren. So sorry for your loss. I won't forget that he provided the services at my husband Jim Laughton's funeral. Dwain, since our family was closest to you because you and Jimmy were good friends, I saw your Dad at all the events I attended when you guys were in school. I have many pleasant memories of those days. You are all in my thoughts.*
