I always remember her smile and her laugh...and she laughed a lot. One of the reasons so many of us loved her. This video was precious. Looking forward to seeing her again in Heaven one day.

“ Our family knows Lois Ann (Delois) by her marriage to Bill Hagewood, my deceased husband Bob's older brother. We have 5 children and all of us were invited to her house for thanksgiving. With Bob's folks and sisters, it was a very full house! I told her I wanted to help, but she kept saying for me to sit down and relax. She was so sweet! Of course, ALL the kids loved her peanut brittle! She would amaze me the way she poured the corn syrup and added peanuts into a pan. It seems like magic, but she poured it out on a cookie sheet and it was wonderful! The best memories were of her sweet voice saying "You want me to make you a plate"? Sleep well, dear sister in law, in the arms of Jesus. Shari (Hagewood) Vass

“ She was my sweet neighbor next door. She always had a warm smile and usually a tip on gardening or flowers. My daughter enjoyed seeing her garden. The last time she saw her, she invited my daughter to look at her garden. She picked flowers and gave them to my daughter, which she loved. She asked my daughter what good are flowers if you don't get to share them. She was such a wonderful person. We will feel the absence for a long time. Will be praying for your family.

“ Our family is heart broken over the loss of Delois. She was such a wonderful, kind, and loving person. She never hesitated to let our boys come garden with her, pick her flowers, or share her fresh veggies from her garden. My heart goes out to her family during this difficult time. You're in our thoughts and we are so so sorry for your loss. She was so loved
