“ James and I will really miss Dennis. We enjoyed so many good times with him and Gail sitting around our dining table eating or playing games. Riding around the ranch in Chandler on four wheelers and laughing about almost flipping when we started up that steep hill was so much fun. And seeing the beautiful woodwork in the ranch house was a testament to his skills with his hands. In spite of all of his physical impairments over the past few years he was always encouraging others and was always there to help us out whenever we needed a hand with anything. He was more than a friend, he was a brother. We loved him dearly, and we cherish the memories we made with him and Gail.

Gail you are on a very hard road. God will give you strength and be with you every step of the way. Allow yourself to go through all of the emotions as they come. Get up each day and put one foot in front of the other. And as often as possible envision Dennis praising God with the angels, visiting with friends and getting to know Moses, Daniel, Job and so very many other really awesome people. Call if you want to talk. I think I would be able to understand. Dennis was a special person. He will be missed greatly! David and I adored him. Now he and David both feel good. No more pain, sorrow and suffering! Praying for all of you.
