“ *You were one of a kind - like a big sister to me. 18 yrs of doing our Saturday morning yardwork together, taking care of one another through illness, heartbreaks, and hard times, Halloweens in full-character & costume, sharing your wisdom on men and menopause, taking our beautiful engagement pictures to help us save money, teaching me tips and tricks for interior painting, visits to "Dinky's Hideaway" sipping good red wine or sitting on the back deck. I just can't imagine a world without you. I never made it to Italy with you, but I will see you again one day in Paradise. Rest well, my beautiful friend - you lived a good life and you've earned it! I love you, girl!*
