“ *Rest in peace my friend. I am thankful God allowed us to spend one last time together a few months back. After all those years. I will never forget how you were there for me when I had Jessica and was so scared because she was so little and I didn't know what to do. You came all the way to Shreveport to be with us. But that is how you were. Always, caring more about others than yourself. You are very loved and will be missed. Thank you friend. Till we meet again.*
