Dianna was my Heifer mama, she was my mentor and my friend. I cannot even tell you how much she meant to me. She lifted me up when I was down and I hope I did the same sometimes. She knew I didn't have a normal life and she knew what I needed. I will miss her forever and my heart is breaking. Praying for Willie my Heifer Daddy and Michelle and family! 💕🙏

“ To the family; Dianna Nell will never be forgotten by us. What a special lady. Her laugh and sense of humor were a one of a kind! Those camping trips were so much fun & she was part of the reason!! 😂😭
And her servant heart is unmatched!
When one of us were down with physical or emotional needs, she was the first to call or come over.
And our Birthday wish calls! Hilarious! 🤪
She brought an entire Chocolate Coca-Cola cake to Sandy. That was as big delight and encouragement to her. She was so surprised! The last couple of years her show of Love to Sandy was incredible as they texted to each other many times.
She was a great support in our time of needs.
We are praying for the entire family every day!
We know God will provide the strength to endure through this tough time

Dianna was a wonderful cousin. She was always such an encouragement with a gift of serving others. She had a selfless love that overflowed no matter what the circumstances or who she was serving. My children & I were blessed to have her & her children as a part of our lives while they were growing up. When we were in our twenties, Dianna made the comment in Sunday School that she thought the wife set the mood for the environment in the home when she got up each new day. She said she thought we were to get up & get the home ready for the day with gratitude as we began serving our family. Her wise words have stayed with me all these years & have played a tremendous impact on my own home. She was wise, always made others laugh & an encouragement that will stay with all who have had the privilege of knowing her. She is home now, with Melissa & other loved ones, right there with her Lord who she loves with her life. She will be missed greatly. We look towards the day we will be reunited in the Blessed Hope. I love you Dianna. I am praying for the family & loved ones. May The Lord comfort each one & fill the void that is missing this special person with His grace.
